

The Marksmen

The Turkey Shoot. The Premier social event at AMA is our annual turkey shoot. If you're new to this, you don't actually shoot a turkey. You shoot a paper target that has a picture of a turkey on it. On that target are random numbers that you can't see from 20 yards. Prizes are awarded in order of score. Everyone gets a prize too. The Turkey Shoot is **Tuesday, December 9th; 7:00 PM.** Spare guns will be onsite for anyone who doesn't have a 22 pistol. This is a great chance to meet other members so don't miss it.

The Annual AMA House League competition commences Thursday January 8th 2015. I welcome back all the previous competitors and especially welcome new participants. The league is in two parts. The first is 6 weeks of standard pistol (.22) followed by 6 weeks of center-fire (32 or 38 SPL or 9MM or 40 S&W). Rules are similar to the International Shooting Sports Federation program and all shooting is done with one hand. Prizes are awarded as first, second & third place as well as high score in some categories and are presented at our Annual General meeting in May. You can see the results of last year's House League posted on the wall in the club. Shooting takes place in our downstairs range beginning around 6:15-6:30pm. See you there, Bob Cooke 902-865-6762

Updated RO Schedule Andrew has updated the RO schedule and it's attached here. If you're an RO, please make note! Also, check your phone # and if it's incorrect, please update Andrew Brace (*see pg. 2*)

RENEWALS were due September 30th. We are now checking everyone at the range to make sure that you have renewed. Remember that if you have not renewed, your ATT is invalid and if you are at the range, you are there **illegally**. Don't risk embarrassment or worse - possible incarceration - make sure you're paid up before you go to the club. If your mailing label with this newsletter had your name highlighted, we don't have record of you paying for 2014-2015.

Administrative Fees: Lost card keys will cost \$15 for replacement, NSF Checks will incur a \$20 fee **and there is a \$25 late membership payment fee after Nov. 15th**

IPSC Black Badge There will be a black badge course held on December 13/14. Contact Sean Hansen (*see pg. 2*) to register or get more information.

Membership Cards should always be visible when you are at our range facilities. If we can see it, we won't have to bother you to produce it. There are usually card holders at the indoor range if you need one.

Canadian Shooting Sports Association (CSSA) Indoor Winter Center fire Pistol Postal match.

The CSSA has sponsored a Winter League Postal Match for many years in the Southern Ontario region but this year has opened it up to clubs across Canada (a postal match means results are mailed in, and has nothing to do with "going postal"!). AMA is now a participating club and has already completed the .22 rim fire portion with plans now underway for the center fire event. The beauty of a Postal match is that you can participate in a national competition in the comfort of your own range!

So if you're interested in trying a Bullseye competition, want to improve your marksmanship or just want to have some fun then come out and join us. Dates will be Saturday mornings from 9:30 am to approx. 11:00 am on Jan 17, Feb 21, March 21 and April 11.

The matches to be shot will be very similar to the AMA Center fire House league except they will be a full 60 shot match comprised of 20 shots precision and 40 rounds timed fire. The event is shot one handed with either semi auto pistol or revolver of a 30 caliber handgun (.32, 38, 9mm etc.) with iron sights.

To be eligible for the CSSA awards you will need to be member of the CSSA and complete 3 out of the 4 monthly matches (if more than 3 shot, the top 3 scores are used). Participants will receive an official shooting classification after the 2nd match so you only compete against shooters of your own skill level. There will be a fee of \$7 for each match.

Curious about giving it a try but are reluctant to jump into a formal competition? Then let me know your interest as well, as spots can be made available for participants to shoot the event without having to send in results.

Pre registration and/or expressions of interest would be appreciated. If you're interested and/or would like more details please contact Randall Nelson at (902)449-4085 or by email at nelsonr@magma.ca.
