

The Marksmen

Time to Renew Your Membership!!!

(Invoice enclosed with this newsletter)

Once again it's that time of the year to renew your membership in the A.M.A. Your invoice should be enclosed with this newsletter. If the amount is not correct (i.e. didn't get a family rate, etc.) please send an explanation along with your remittance. If a junior has turned 18 before the end of September they are now a senior and would pay half the senior rate. The family rates apply only to spouses and sons or daughters living at home. Please put your invoice # on your cheque or money order.

- If you've already paid, just disregard the invoice.
- If the value on the invoice is incorrect for you, please send the correct amount and make a note with it.

If you have any other questions please contact the Membership Chairman, Graham Fortune at gbfort@bellaliant.net

Membership dues remain the same – Senior dues remain **\$200** per year.

RENEWAL and MEMBERSHIP POLICY - Renewals and new membership applications can either be mailed to AMA's PO Box WITH a check or Money order or emailed to atlanticmarksmen@gmail.com with an **Interac EMT** to the same email address. Please use the password **"AMAMBR2019"** if you need to use a password. Expect + or - 2 weeks for turnaround for cards. We do not process applications at the club.

Remember that October is a very busy time for renewing our 350+ members, so please be patient. We won't start checking memberships at the facilities until November.

MAINTENANCE FEE FOR LATE RENEWAL. Be advised that after November 15th, there is a \$25 service fee to renew your membership late. Memberships received after midnight November 15th will not be processed unless accompanied by the \$25 fee. **(SO PLEASE RENEW ON TIME!!!)**

General Shooting moves back inside for Fall / Winter - As of September 29th, Saturday General Shooting will be held at the indoor range, starting at 1 PM.

Are you on our AMA email notification list?

We send out occasional reminders of scheduling, issues, notifications, etc. If you didn't get the reminder in July that one of the Saturdays was indoors, send an email to atlanticmarksmen@gmail.com to be added to the list. **DON'T MISS OUT** – send us your email address!

AMA Practice Nights - IPSC shooters - Starting Wednesday, October 24th, AMA IPSC practice sessions go back inside. This will be for the entire winter season.

Steel plated, jacketed or steel core ammunition is prohibited at AMA's indoor range. This includes **MFS ammunition**. The Steel core stuff damages the backstop and the jacketed stuff causes sparks that could cause a fire in our facility. If you are in doubt about your ammunition, try touching it with a magnet in one of the ranges. If the magnet clings, it's a **NO-GO**. **If you get caught shooting it indoors, you will likely lose your membership.**

Range Rules - They are posted at the ranges so you cannot miss them. They are also included with this newsletter, as they have been for the past 24+ issues of the newsletter. Ignorance of the rules is not considered an excuse to violate them. These rules are for your safety and the safety of others. If you ignore these rules, not only do you jeopardize having the range closed, you jeopardize yours or someone else's life.

Please Help Us Clean Up

Just a reminder that when you use the facilities, please throw your discarded brass, old targets, **coffee cups**, patch backers, etc. in the garbage cans and not on the range surface. When you use the indoor range, sweep up after yourself and when you're outdoors remember to **take down your old target**. It's no use to anyone after the rain gets on it the next day.

Guest Rules Are published with this newsletter as a reminder. They have been in effect since winter. Please do not violate them.

RIFLE RANGE: Please note that Only the three left-most firing positions in the rifle range building can be used for shooting at the 100m firing point. The 280m firing point can be shot from any position.

Smoking. There is NO smoking in the indoor range. Smoking is only permitted in the parking lots at the outdoor range.

Here's Marcel Boudreau, Randall Nelson and Harvey Heaton working on the downstairs returning targets to get them working for the winter season. Thank you very much, gentlemen – your help is very much appreciated!

So now the Liberals are targeting us again!!!!

It was bad enough in the spring when they introduced Bill C-71 that does nothing to criminals and only adds more weight to the shoulders of law-abiding shooters like you; they have now decided to consider a handgun ban!

I hope I don't have to explain that if such a thing occurred, this club would close. It would be the end of AMA, and your thousands of dollars' worth of firearms would be gone.

You have to let your Liberal Member of Parliament (all of us have one) know as soon as possible how much this is going to hurt you and that you disagree with their targeting you, someone who follows the law – in order to do nothing to prevent criminals from continuing to be criminals.

There's also this website: www.NogunbanCanada.ca – where you can print automated letters to send to our PM about the issue.
