

The Marksmen

Time to Renew Your Membership!!!

(Invoice enclosed with this newsletter)

Once again it's that time of the year to renew your membership in the A.M.A. Your invoice should be enclosed with this newsletter. If the amount is not correct (i.e. didn't get a family rate, etc.) please send an explanation along with your remittance. If a junior has turned 18 before the end of September they are now a senior and would pay half the senior rate. The family rates apply only to spouses and sons or daughters living at home. Please put your invoice # on your cheque or money order.

- **If you've already paid, just disregard the invoice.**
- **If the value on the invoice is incorrect for you, please send the correct amount and make a note with it.**

If you have any other questions please contact the Membership Chairman, Graham Fortune at gbfort@bellaliant.net

RENEWAL and MEMBERSHIP POLICY - Renewals and new membership applications can either be mailed to AMA's PO Box WITH a check or Money order or emailed to atlanticmarksmen@gmail.com with an **Interac EMT** to the same email address. Please use the password "**AMAMBR2023**" if you need to use a password. **Make sure the name of who's renewing is in the EMT comments.** Expect + or - 2 weeks for turnaround for cards. We do not process applications at the club. Again, please make sure the EMT is clear who the payment is for.

Remember that October is a very busy time for renewing our 300 members, so please be patient. We won't start checking memberships at the facilities until November.

MAINTENCE FEE FOR LATE RENEWAL. Be advised that after November 15th, there is a \$25 service fee to renew your membership late. Memberships received after midnight November 15th will not be processed unless accompanied by the \$25 fee. **(SO PLEASE RENEW ON TIME!!!)**

General Shooting moves back inside for Fall / Winter - As of October 1st, Saturday General Shooting will be held at the indoor range, starting at 1 PM.

Are you on our AMA email notification list?

We send out occasional reminders of scheduling, issues, notifications, etc. If you didn't get the reminder in July that one of the Saturdays was indoors, send an email to atlanticmarksmen@gmail.com to be added to the list. **DON'T MISS OUT** – send us your email address! **NOTE: We only send physical mail newsletters with our renewal invoice and when the AGM requires voting for a board.** December and Spring Newsletters are only available thru the website now.

AMA Practice Nights - IPSC shooters –

Wednesday, October 5th will be the last outdoor time for IPSC. Wednesday nights indoor remain open to IPSC practice on Wednesday nights.

Steel plated, jacketed or steel core ammunition is prohibited at AMA's indoor range.

This includes **MFS ammunition.** The Steel core stuff damages the backstop and the jacketed stuff causes sparks that could cause a fire in our facility. If you are in doubt about your ammunition, try touching it with a magnet in one of the ranges. If the magnet clings, it's a **NO-GO.** **If you get caught shooting it indoors, you will likely lose your membership.**

Range Rules - They are posted at the ranges so you cannot miss them. They are also included with this newsletter, as they have been for the past 24+ issues of the newsletter. Ignorance of the rules is not considered an excuse to violate them. These rules are for your safety and the safety of others. If you ignore these rules, not only do you jeopardize having the range closed, you jeopardize yours or someone else's life.

Guest Rules Are published with this newsletter as a reminder. They have been in effect for a long time. Please do not violate them.

These organizations offer excellent insurance coverage and if you ever get into trouble with the law, legal advice and assistance. Please Help Us Clean Up

Just a reminder that when you use the facilities, please throw your discarded brass, old targets, **coffee cups**, patch backers, etc. in the garbage cans and not on the range surface. When you use the indoor range, sweep up after yourself and when you're outdoors remember to **take down your old target**. It's no use to anyone after the rain gets on it the next day.
